

## **94.06.20 workshop FRI session 21 over 50 hard to find work**

- 1. Experience vs youth**
- 2. Forced to end their working lives**
- 3. Much earlier than they would like to**
- 4. This is a shame**
- 5. Most jobs require skills and knowledge**
- 6. There is a view that they can't update themselves**
- 7. Healthcare schemes will be more expensive**
- 8. They are less motivated**
- 9. They are less flexible**
- 10. Experience is seen as being less important than youth**
- 11. Young people are promoted to top jobs**
- 12. Retraining is one solution**
- 13. Training courses can help in this regard**
- 14. They should be widely available and affordable**
- 15. Their experience can be quite useful to organizations**
- 16. They can pass their experience of work to younger employees**

**Good luck!**
