Adapt

adopt

... used to ...This is no longer the case.

The current trend is ...

Totally unacceptable

Doctors are bound by oath to

Regardless of their financial status/race/age/gender/sexual orientation

Police are legally bound to protect

Law-abiding citizens

In the face of problems/adversities

In the event of divorce

Embark on

Who knows where it might lead to?

An unavoidable consequence of is

There are several forces at play

..... pervades every aspect of life

In their lifetimes

Our immediate environment

As resources grow more scarce

Good luck
